Dear Parents/Carers

Additions to summer uniform

As you are aware, after May half term we move to our summer uniform to try and ensure all students are suitably dressed but comfortable in the summer months. At present students are allowed to remove their blazers and not wear ties during this period.

However earlier this year we were approached by a group of students who wanted to propose some changes to our summer uniform, which they felt would be an improvement. After consultation with the wider school community, Mr Matthews has agreed to introduce a summer badged Polo shirt and tailored Harrow Grey shorts. Both of these items will be optional and will only be worn for the last half-term of the year.

The Polo shirt will only be able to be purchased from SWI at a cost of £7.50 for sizes up to 36" or £10.50 for 38" and above. The company are currently sourcing the stock, which should be ready in time to be ordered for after May half term. As soon as these are available to buy, we will let you know. The shorts can be purchased from any supermarket but must be tailored and Harrow Grey.

We hope that this will be a welcome improvement to our uniform policy. We are grateful for your continued support in ensuring the students wear uniform to a high standard; please can we remind you that all students must be wearing their blazer on arrival to school and school shoes (not trainers) are the only acceptable footwear.

Yours sincerely

Mrs E McClatchie
