

Edgbarrow School

Year 6 Information Evening

Monday 14th September 2020

Welcome Message

A warm welcome to Edgbarrow School. During this important stage in your child's education we hope to provide you with a variety of opportunities to get to know the school. This evening is aimed at parents/carers and I will spend some time talking to you about our ethos and the educational experience that we can offer your child. Our senior staff have produced videos for you, covering key aspects of life at Edgbarrow School.

Our Open Evening will also be online this year (Thursday 1st October) and will enable you to view the School and meet our students. Given the current situation our priority must be the safety. In line with other schools in Bracknell Forest, we have taken the decision that having large numbers of visitors to the site simply isn't feasible. Therefore, we are unfortunately unable to offer tours at this time, I am so sorry for any disappointment this causes.

I am very proud to be the Headteacher of Edgbarrow School. I hope that you and your child feel that this is a school where they will be happy and benefit from opportunities in order to achieve their best.

Academic progress and examination results are very important but the manner in which we care for our students and the high standards that we set also play an important part in the personal development of every individual. Edgbarrow is a school where staff and students forge very good working relationships, individual talents are recognised, and successes are celebrated.

Many thanks for taking the time to consider Edgbarrow as a potential school for your family.

Stuart Matthews
Headteacher

Future Events for Year 6 students and their parents/carers

Due to COVID guidelines we are unable to operate Open Evening and Morning in the traditional manner- please see alternative provisions.

OPEN EVENING - Thursday 1st October 2019, 6.30

Mr Matthews will give a live talk at 6.30pm online via Zoom. The talk is aimed at students, but of course we encourage parents to join in. The talk will be accompanied by an online chat facility where you can ask our Student Council questions. There will also be student tour videos, providing an opportunity for Year 6 students and their parents/carers to tour the school, see our facilities and visit different departments. We will release joining instructions via social media.
