

YEAR 9 CAREERS DAY

As we are unable to run our Year 9 Careers day scheduled for November, we have put together a package of options to support parents/carers and students during the options process. You will have received a letter with further information on a number of careers resources available and students have also received log in details for Fast Tomato, one of the software packages we have recently purchased.

Please see below for video links to some of the job roles by sector. The videos are approximately **4 minutes in length**. The links highlighted in red are the sectors showing resilience and/or on a recruitment drive currently within the Thames Valley.

The links highlighted in purple have been prepared by local employers/colleges specifically for Edgbarrow. For further research you can look at range of websites including:
