

## Construction Apprenticeships Intermediate (Level 2)

We are a major construction company and we offer apprenticeships in the main building trades of carpentry, bricklaying, painting & decorating, plastering, general construction operations, dry lining & building maintenance and refurbishment. Intermediate Apprenticeships are available at level 2 with opportunities to progress to a level 3 advanced apprenticeship

The day to day duties undertaken by our apprentices will comprise of a structured programme encompassing:

- Working in our Training Centres to develop their practical skills, knowledge and understanding of their specific trade.
- Working on site gathering work experience in a real environment with local employers. Apprentices will carry out daily tasks which are relevant to their particular trade and will continue to develop as they progress through their apprenticeship programme.

**Desired Skills** - Good manual dexterity and ability to read drawings. A good head for heights and willingness to work outside.

**Personal qualities** - Hard-working, confident and eager to learn. Interested in practical construction skills.

**Qualifications required** – English and Maths GCSE Level 4 desirable but the right person is more important.

Closing date for applications is **Monday 2<sup>nd</sup> March, 2020**

## Engineering Technician Apprenticeship Advanced (level 3/4)

We are a local Railway company looking to recruit and train an Apprentice to become a highly skilled Engineering Technician. Our established training scheme develops people into skilled technicians to work on our diverse and growing fleet of trains.

**Desired skills** - Good practical skills, understanding of mechanical assemblies, able to follow instructions accurately, engine and associated component understanding, ability to follow company documentation and maintenance instructions.

**Personal qualities** – Extremely motivated and driven; ability to work along as well as part of a team; honest; reliable and trustworthy; effective communicator.

**Qualifications required** – A minimum of five GCSEs at grade 5 or above (or equivalent qualifications) including English, Maths and Science.

**Things to consider** – We are looking for enthusiastic driven individuals that are committed to a 4-year apprenticeship and the college attachment. You will need a positive, forward thinking attitude and customer focused approach; we will recruit only those who are prepared to make a significant commitment to their own development and career.

Closing date for applications is **Monday 2<sup>nd</sup> March, 2020**

## BUSINESS ADMINISTRATION APPRENTICESHIP Intermediate (level 2)

Are you looking to step into an office environment? Do you want to take up an apprenticeship in Administration? If you answered yes to both of these questions then why not apply now!

### Roles and responsibilities:

- Meet and greet customers
- Use of Microsoft office to communicate internally with long distance colleagues
- Process sales
- Using the till
- Pricing stock
- Display products
- Maintain the show room

**Desired skills** - Previous experience in a customer facing role would be helpful but not essential.

**Personal qualities** – Enthusiastic, ability to multi task, good interpersonal, communication & organisation skills.

**Qualifications required** - If you do not have a 5-4 grade in GCSE Maths and English (or equivalent to), we will support you to achieve functional skills in these subjects during your programme.

You will be working towards an NVQ Level 2 in Business Administration.

Closing date for applications is **Monday 2<sup>nd</sup> March, 2020**

## APPRENTICE IN CHILD CARE Intermediate or Advanced (Level 2 or 3)

You will work four days a week at your nursery setting as a nursery assistant, gaining your practical experience. This will involve a range of activities from arts and crafts to singing and outdoor play. You will then attend college once a week to gain your apprenticeship qualification.

**Activities include:** Maintain accurate and effective children's records; Respond appropriately to issues requiring confidentiality; Support, promote and implement policies relating to diversity and equality; Work well as part of a team; Work with the team to ensure the smooth running of the nursery day; Work in partnership with parents

**Desired skills** - Previous experience in childcare is not a necessity but can help. A genuine interest in wanting to care for children is essential.

**Personal qualities** - Learners must be caring, professional and able to work well as a team. Good time keeping, patience and enthusiasm are all positive qualities for nursery assistants.

**Qualifications/Training** - No qualifications are required for this apprenticeship. Functional skills including Maths, English and ICT are covered as part of the apprenticeship as is Paediatric first aid. A clear DBS may be required by the nursery. Advanced Apprenticeship candidates will need a 4 or above in Maths and English GCSE upon completion of this qualification. You will be working towards a Level 2 Certificate in Children and Young People's Workforce or Level 3 Diploma in children and young People's Workforce depending on previous experience and qualifications.

Closing Date is **Monday 2<sup>nd</sup> March, 2020**

## APPRENTICE HAIRDRESSER INTERMEDIATE (LEVEL 2)

Hairdressing is not a job - it is a vocation. You need to be prepared to work hard and deliver first class customer service even when you may not be feeling at your best. You will be on your feet all day and dealing with clients from all walks of life so if this sound like the sort of challenge you're after ....

Duties will include general upkeep of the salon, shampooing, assisting stylists, greeting and preparing clients and promoting services and products. Some reception work may also be required. As your skills develop you will be given more responsibility

**Desired skills** - Are good at working as part of a team; can remember and follow instructions; can anticipate the needs of others; can effectively manage their time; pay attention to detail; work safely.

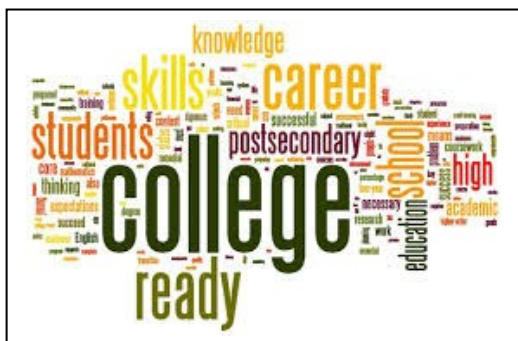

**Personal qualities** - Punctual and reliable; resilient and determined; well presented; passionate about hairdressing; willing to work hard; the role is physically demanding; pleasant personality; able to keep calm under pressure; are motivated and keen to learn.

**Qualifications required** - GCSE grades 9 to 5 in English and Maths or equivalent.

After achieving NVQ level 2 and completing your Intermediate Apprenticeship you will be encouraged to progress to an Advanced Apprenticeship and to gain NVQ level 3.

Closing Date is **Monday 2<sup>nd</sup> March, 2020**

## APPLYING TO SIXTH FORM OR COLLEGE

If you do not want to apply for any of the apprenticeships above you can prepare for an interview for sixth form or college. If you decide on this option you will need to prepare the following for your interview:

- 1) If you are applying for a specific college course, you will need to do some research and come prepared **as if you are having an interview for that course**. You will need to specify which college course it is in your cover letter and CV and use them both to support your application.
- 2) If you are applying to Edgbarrow sixth form or another sixth form or college you need to specify which pathway, **you need to do some research; you also need to specify which 'A' levels or vocational pathway you are interested in** and again use your cover letter to indicate in more detail your reasons for those choices.

The closing date for completing your application is **Monday 2<sup>nd</sup> March, 2020**
