

# Edgbarrow School

## Year 12

### L3 Single IT Vocational Course

### Curriculum Intent

*The aim of IT and Computer Science is to develop young people who are digitally literate, resilient and have problem solving skills. Students will develop transferable skills to use across the curriculum, and in the wider world.*

### What am I studying this year?

| Knowledge & Skills  | Time of Year        | Assessment              |
|---|---------------------|-------------------------|
| <b>Unit 1: Fundamentals of IT</b><br>Working towards a written external exam covering the fundamentals of hardware, software & networks                                       | September - January | External Exam (January) |
| <b>Unit 2: Global Information</b><br>Working towards a written external exam covering how data and information are used in different contexts, including relevant legislation | January - May       | External Exam (January) |
| <b>Unit 6: Application Design</b><br>A coursework unit covering the creation of mobile applications.  | January to May      | Coursework Unit         |

### When and how will I be assessed?

Students will be submitting work to Google Classroom throughout the year and feedback will be given both verbally and through private comments on Google Classroom to the students or in the form of marked exam questions where appropriate.

### Revision Guide

Please use the textbook and resources on Google Classroom to aid revision for the external exams.

### Marking for Literacy

(Longer answers and written work will be marked for at least one of the below, your teachers will tell you which.)

- Sp – Spelling mistake of key term
- // - Needed new paragraph
- C – Capital letter missing
- P – Punctuation needed
- Expr - Expression

### Students will demonstrate pride in their work by:

- Take care of your book and work area. Including Sensible Folder Structure & File Names
- Title and date all work
- Write as neatly as you can in pen and make sure your electronic files are neat & readable.
- Update & improve any incorrect work.
- Upload all work to Google Classroom
- Diagrams, graphs, drawings should all be done in pencil or electronically.
