

Edgbarrow School

Year 12 GCSE Resit

Maths

Curriculum Intent

Our aim is to develop the mathematical knowledge of students and increase their confidence to use their numerical skills across the curriculum and out in the real world. We aim to create resilient students who persevere and experience the excitement of solving problems.

○ What am I studying and how and when will I be assessed?

Knowledge & Skills <i>(the order and length of time spent on each will be dependent on students' strengths)</i>	Time of Year	Assessment	Homework
Topics covered in lessons: Fractions, Decimals, Percentages, Factors, Multiples, Primes, Indices, BODMAS, Negatives, Rounding, Expressions, Equations, Sequences, Substitution Area, Angles, Volume, Units, Transformations, Pythagoras, Averages, Ratio	Autumn Term	November 2023 GCSE Exam	Homework is set in Maths to give students opportunity for independent practice on key skills and current content to secure knowledge. mymaths provides revision material including examples and videos, and the opportunity to practise skills and topics
username: Edgbarrow password: rectangle
Revision and assessment -> GCSE booster packs: grades 1 and 2 and grades 3 and 4

Students will demonstrate pride in their work by:

- Presenting information clearly and neatly to aid learning
- Using a title and date for all work including homework
- Underlining all dates and titles using a ruler
- Writing in blue or black pen
- Completing drawings and diagrams in pencil
- Glue in sheets flat and in order
- Annotating work and making corrections in coloured pens
- Crossing out mistakes neatly with a line
- Highlighting key words and concepts
