Year 11

Maths

Curriculum Intent

Our aim is to develop the mathematical knowledge of students and increase their confidence to use their numerical skills across the curriculum and out in the real world. We aim to create resilient students who persevere and experience the excitement of solving problems.

○ What am I studying this year and how and when will I be assessed?

Knowledge & Skills <i>(the order may change depending on tier of entry and the set you are in)</i>	Time of Year	Assessment	Homework
