

Edgbarrow School

Year 9

Progress - EAL

Curriculum Intent

Our aim is to support students' acquisition of the English language whilst also recognising and welcoming linguistic diversity. Our pupils' success will be recognised through increased confidence in their levels of spoken and written English language. Our ambition is to provide the support to enable EAL students to access the mainstream curriculum with their peers. We also aim for students to have the communication they require for social interactions at school and engagement with the wider world.
