

Edgbarrow School
Year 7
Progress - Numeracy

Curriculum Intent

Our aim is to support the Maths department in ensuring our students develop mathematical knowledge and skills that are retained in their long-term memory. Our students' success will be recognised through increased confidence in Maths lessons and through their academic achievements. Our ambition is to provide the support to enable students to access the mainstream curriculum with their peers. We also aim for students to have the Numeracy skills they require for all aspects of adulthood and engagement with the wider world.

○ What am I studying this year and how and when will I be assessed?

Knowledge & Skills	Time of Year	Assessment	Homework
Place value	Autumn Term 1	Weekly times table tests. Half termly Progress tests.	Homework is not set by the Progress Department. We support students to complete their homework for other curriculum areas through Curriculum Support lessons, 1:1'S and Homework Club.
The Four Operations	Autumn Term 2	Weekly times table tests Half termly Progress tests.	
Time	Spring Term 1	Weekly times table tests. Half termly Progress tests.	
Money	Spring Term 2	Weekly times tables tests Half termly Progress tests.	
Fractions	Summer Term 1	Weekly times tables tests. Half termly Progress tests.	
Area	Summer Term 2	Weekly times table tests. Half termly Progress tests.	

Through the year you need to keep practising the following:

- Times tables
- Place Value - Comparing and ordering numbers, rounding Numbers
- Addition and Subtraction – Using columns
- Division – Bus stop method
- Multiplication – Grid method
- Time – Telling the time and time difference
- Money – Finding totals and working out change
- Fractions - Using fractions to describe parts of a whole, equivalent fractions and simplifying fractions
- You can use your exercise books, Kerboodle and the following website to help:
