

Edgbarrow School

Year 7: Philosophy, Ethics and Religion

KS3 Novice

Curriculum Intent

In Year 7 students explore a range of religious and secular worldviews and start to develop as independent critical thinkers. They investigate the relationship between humanity and spirituality through the lens of a variety of founders of faith. Students will begin to describe and explain a diverse range of moral, cultural and religious beliefs and practices. Students will start to develop tolerance, respect for others, as well as a sense of belonging within a diverse British society in order for them to identify and develop their own beliefs.

○ **What am I studying this year and how and when will I be assessed?**

Topic	Time of Year	Assessment	Homework
