

Edgbarrow School
Year 12
Health and Social Care Ext Cert

Curriculum Intent

Students of health and social care explore human lifespan and development with factors that can hinder that growth. This will include an additional understanding of professional practice, challenges individuals face, as well as the importance of empathy and compassion for everyone who accesses health services (which is all of us at some point in our lifetime).

○ What am I studying this year and how and when will I be assessed?

Topic	Time of Year	Assessment	Independent Study
Unit 1: Human Lifespan	Sept-Jan	Mock Exam – November	<p>Independent study is essential to Sixth Form study and a wide range of tasks can be set by teachers in order to develop these skills. Teachers will set at least one independent study-focused talk each week. Independent study can take a number of forms including:</p> <ul style="list-style-type: none"> • online tasks • written tasks • wider reading • recall of information from Knowledge Organisers • revision and preparation for end of topic tests. • Assignment completion <p>Tasks may also be targeted to develop wider interest in the subject as well as those more focused on the exam specification.</p>
Unit 1: Human Lifespan	Sept-Jan	Exam – January	
Unit 5: Meeting Individual Needs	Sept – May	Learning Aim: A - D Written coursework assessment for each learning aim including an individual presentation for learning aim D	
Resits Prep	April - May	Resit for Unit 1	
Unit 5 Meeting individual needs	May - July	Assessment completion on all Year 12 Coursework	

Unit 1 - Human lifespan and development – factors that impact development and theory of development
