

# Edgbarrow School

ENJOY - GROW - ACHIEVE

## Vision

Edgbarrow School delivers fantastic opportunities for all students to **'Enjoy Grow Achieve'**. We do this in a fully inclusive environment where diversity is celebrated; students are encouraged to embrace opportunities and develop into confident, independent and resilient young adults, ready to improve the world around them.

Edgbarrow has high expectations, with a curriculum that supports and challenges students to acquire the skills and knowledge needed to thrive and contribute to their community. This is achieved through outstanding teaching and learning, personal development and positive relationships.

Our vision is for all staff and students to look back on their journey at Edgbarrow as a truly happy time, where outstanding opportunities and experiences influence positive life choices and a successful future.

## Values

The school's values of **Ready, Respectful, Safe and Positive** guide staff and students' conduct in school and beyond. Students are **Ready** to learn, ready to take on new ideas and ready to move on to future opportunities. Students are **Respectful** of themselves, others and their environment. Students' behaviour is **Safe** in school, in the community and online; students look after each other. Edgbarrow provides a broad curriculum through lessons, tutor time and co-curricular activities. Students are **Positive**, grasping opportunities and developing resilience. These values support students to achieve our vision to **Enjoy Grow Achieve** and create a successful and happy future.
