What to do at Home?

Every Morning

Start your day with 30 minutes reading. This is very important!

Every Morning

Check your SIMs App for work that's been set along with Google Classroom.

SIMS

Completed all your work for the day?

There is plenty you still could be doing, instead of reaching for your phone or putting on a box set!

(Its ok to do these too - in moderation!)

P.E

with Joe Wicks @ 9am weekdays on his YouTube channel.
