# Picture Based Task

There are 5 bullet points in this task, they will cover 3 time frames so make sure you check which is:

Past  (tu as fait / tu es allé récemment / une occasion qui a été …)

Present – opinion / normalement / d'habitude

Future – a l'avenir / future tense – tu feras / conditional tense – tu aimerais

Bullet 1 is always 'Décris la photo'

**P** eople

**A** ction

**L** ocation

**M** ood / weather

Sur la photo il y a …

Je vois …

A mon avis
Je pense que …
Je crois que …
Il me semble que …

Don't forget when describing people use the 3rd person verbs:
Ils sont, ils font, ils prennent, ils aiment, ils jouent, ils mangent etc.

One bullet point will be 'unknown'  - you can predict the topic by thinking about the other bullet points – it will be on the same theme.  If you haven't had to use one of your tenses it will probably use that time frame so you can prepare some of your recyclable phrases (je suis allé/j'ai fait,  je vais/je fais/je suis,  je vais aller/je ferai etc.)
