1 Recruitment and Election of Parent Governors

- 1.1 This guidance should be followed for the election of Parent Governors to the Governing Body of maintained schools. The responsible authority for the purposes of the organisation of parent elections is the Local Authority (LA). The LA delegates the arrangement and conduct of elections to Headteachers.
- 1.2 Governing bodies must have regard to the DfE statutory guidance dated August 2017 entitled "The constitution of governing bodies of maintained schools" (DfE-00406-2014), in which it states that governing bodies should make every effort to conduct informed elections in which the expectations and credentials of prospective candidates are made clear. In seeking new governors, governing bodies should set out:
- the core functions of the Governing Body and the role of a parent governor, and the induction and other training and development that will be available to new governors to help them fulfil it;
 - the expectations they have of governors for example in relation to the term of office, the frequency of meetings, membership of committees and the willingness to undertake appropriate training; and
 - any specific skills or experience that would be desirable in a new governor, such as the willingness to learn or skills that would help the Governing Body improve its effectiveness and address any specific challenges it may be facing.

2 Matters for the Governing Body to determine before an election

- 2.1 The Governing Body must determine the following before an election takes place:
- Appointment of Returning Officer
 - Election timetable
 - A method to ensure secrecy of ballot see note 2.3
 - Treatment of ballot papers returned in a way other than specified
 - Procedure to be adopted in the event of a tie. See point 10.6
- 2.2 The Governing Body will also need to decide which skills they are seeking, in order to communicate this to the electorate in their letter asking for nominations.

3 Timing of Elections

- 3.1 Parent governors should be elected in time for them to participate in the appointment of other governors and the election of Chair and Vice Chair of the Governing Body wherever possible.
- 3.2 Where vacancies arise because a period of office is coming to an end, nominations should be sought at the beginning of the term in which the vacancy will occur. The term of office shall run from the date of the expiry of the previous holder of the office.
- 3.3 Where nominations are sought after a vacancy has occurred e.g. due to resignation, the term of office shall begin from the date elected.
- 3.4 Elections should take place in term time.

4 Returning Officer

- 4.1 The Governing Body must appoint a Returning Officer to organise the conduct of Parent Governor Elections. The person appointed would usually be the Headteacher, Clerk to Governors or Chair of the Governing Body.

5 On a Vacancy Occurring

- 5.1 A **letter** (*model at Annex 1*) must be issued to all parents and carers usually via pupil post and/or by electronic means, inviting nominations and setting out the role, the expectations of a governor and any specific skills that are being sought (see 1.2 above). A letter to each household should suffice. The letter should set out the timetable for each stage of the election.
- 5.2 A **nomination form** (*model at Annex 2*) should be attached or it should be made clear from where it can be obtained e.g. from the school office or school website.
- 5.3 The Returning Officer should take reasonable steps to ensure that every person who is known to them to be a parent or carer of a registered pupil at the school is advised of the vacancy and his/her right to stand as a candidate/vote in the election. Where pupils have more than one person with parental responsibility living at different addresses, a letter should be sent to each address if known.
- 5.4 7 clear days (including weekends) should be allowed for the return of nomination forms.
- 5.5 All candidates should be made aware of the disqualification criteria (see Annex 3).

6 Definition of a Parent

- 6.1 A "Parent" for the purposes of governor elections is defined as any individual person having parental responsibility or in the case of carers, day to day responsibility for a pupil at the school at the time of the election. Any question as to the eligibility of an individual to vote or stand for election shall be decided by reference to the LA.
- 6.2 Parent governors may continue to hold office until the end of their term even if their child leaves the school.
- 6.3 A person is disqualified from being a parent governor if they are an elected member of the local authority or paid to work at the school for more than 500 hours in a consecutive period of 12 months (at the time of election or appointment).
- 6.4 Appointed and, in exceptional circumstances, elected parent governors can be removed from office by the governing body. In the case of elected parent governors there is be regard for the guidance set out in section C.4

7 Declaration and proof of identity

- 7.1 All governors are required to sign a declaration to confirm their qualification as a governor. This is attached at Annex 4. This can be done at the same time as nominations are taken or after an election has taken place, but before an appointment is confirmed.
- 7.2 The Headteacher must be satisfied that the person nominated or elected is who they say they are, and should request evidence of identity such as a passport, birth certificate or driving licence. One of the documents provided should include photo identification.

8 Uncontested Elections

- 8.1 If the nominations received are equal to or less than the number of vacancies the Returning Officer shall declare the nominees as elected. The result should be announced by posting a notice on the school notice board and notifying all parents. The Returning Officer / Clerk must advise the LA of the result.
- 8.2 If insufficient nominations are received, the Governing Body can appoint a parent governor in accordance with the regulations and the statutory guidance. The statutory guidance states "Governing bodies may only appoint as parent governor a parent who

has in their opinion, the skills to contribute to effective governance and success of the school”.

9 Contested Elections

- 9.1 If more nominations than vacancies are received then a secret ballot must be held. A letter (*Model at Annex 5*) should be issued to every parent/ carer eligible to vote (all those with a registered pupil at the school) along with a ballot paper (*example at Annex 6*), and each nominee’s election statement.
- 9.2 Notice of the election and a copy of the election rules should be displayed on the school notice board. Parents should be given the opportunity to vote by post if they wish to.
- 9.3 The Returning Officer should have a list of registered pupils and be aware of siblings on the list to ensure that each parent/carers is issued with only ONE ballot paper regardless of how many children they may have at the school. All individuals with parental responsibility for a pupil at the school must, if reasonably possible, be issued with a ballot paper.
- 9.4 The Governing Body should decide the method to be adopted to maintain the secrecy in the ballot. Any numbering of the ballot papers is for administrative purposes only and must not be used to identify the way individuals have voted. Suggested methods are described at Annex 7.
- 9.5 A period of at 7 clear days (including weekends) should be allowed for the return of ballot papers.
- 9.6 Proxy voting is not permitted.
- 9.7 If a ballot paper is spoilt or lost, a duplicate may be issued at the discretion of the Returning Officer.

10 The Count

- 10.1 The Returning Officer should arrange for the count to take place as soon as possible after deadline for receipt of ballot papers.
- 10.2 The Returning Officer must allow the candidates the opportunity to be in attendance at the count, but candidates do not *have* to be present.
- 10.3 The votes cast for each candidate should be counted in the presence of all parties.
- 10.4 The Returning Officer will decide which ballot papers (if any) are to be classed as “spoilt”.
- 10.5 The candidate(s) elected will be those gaining the highest number of votes.
- 10.6 The Governing Body must decide in advance of the election, the action to be taken in the event of a tie. The primary consideration should be the skills and experience that the Governing Body needs to be effective compared to those that the tied candidates have to offer. With this in mind, the action could (for example) be the Chair’s casting vote or where the candidates have broadly equal skills, it could be by drawing lots.

11 Notification of Result

- 11.1 The result of the election shall be notified by the Returning Officer to all candidates, all parents, to the Headteacher and the Governing Body.
- 11.2 The Clerk to the Governors must ensure that the LA (Governor Services) is advised of the names and contact details of the new parent governor(s), and their date of

election/appointment. Up to date lists of all governing bodies are maintained by the Council. The Clerk to the Governing Body is also required to hold this information.

- 11.3 Ballot papers should be retained securely for six months. The number of ballot papers issued and the number returned at each election should be recorded.

12 Election Inquiry

- 12.1 If any person has cause to query the result or proper conduct of the election, they can submit a request in writing to the Chair of the Governing Body, asking him / her to investigate. Such requests must be submitted within two calendar months after the day on which the election result was declared.

13 Publication of Rules

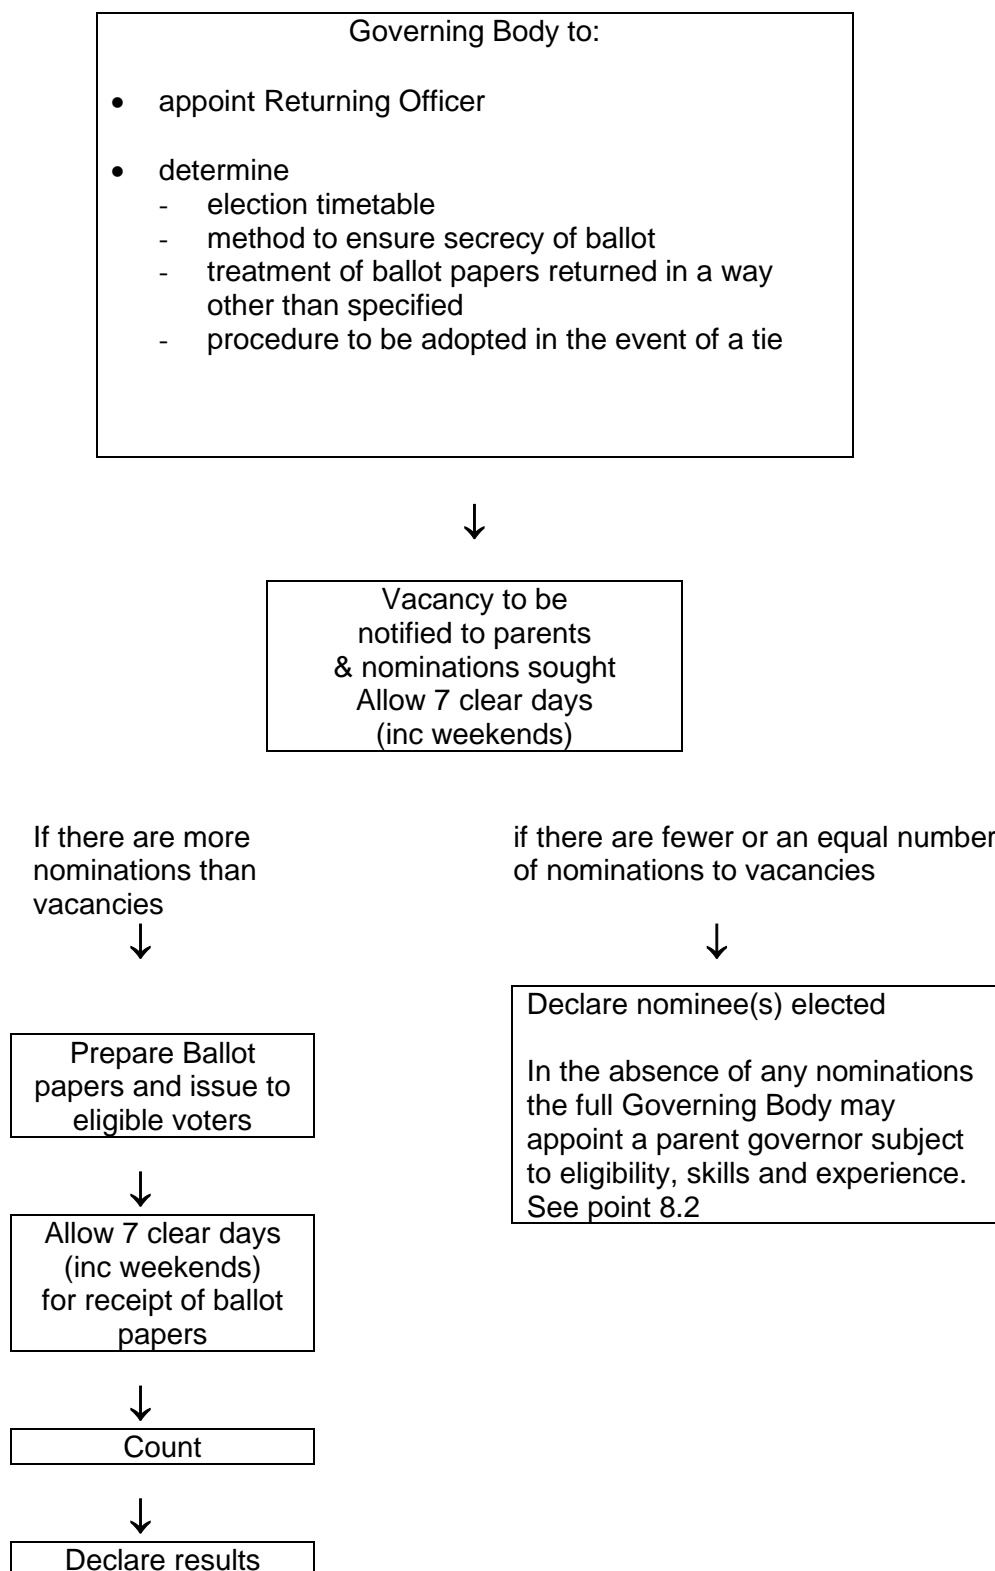

- 13.1 A copy of these Rules and of all the prescribed forms referred to must be published on a notice board at school with the notice of any election for parent governors.

Notes

- i When a vacancy occurs during the summer term it may be appropriate to delay the election procedure until early in the autumn term so that parents of children joining the school in September have the opportunity to participate.
- ii Where a substantial number of parents share a language other than English as their mother tongue, all documents relating to elections should be translated into such languages.
- iii An election is not invalidated by an individual's failure to receive or return a ballot paper.
- iv Each and every parent/carer has one vote per vacancy regardless of how many children he/she has attending the school.
- v A candidate may withdraw his/her nomination prior to the preparation of the ballot papers. Once ballot papers have been prepared the election must proceed unless the number of candidates remaining equals the number of vacancies.
- vi The procedure to be adopted in the event of a tie should be decided prior to the start of the election by the Governing Body and notified to candidates.
- vii If the result is very close or a tie, it is recommended that a recount takes place.
- viii Unsuccessful candidates should be thanked for their interest in becoming a school governor and encouraged to consider other vacancies for which they are eligible.
- ix The Governing Body can make a standing decision on the matters to be decided in section 2.1 and can delegate specific matters such as the timetable to the Returning Officer.
- x Electronic elements can be used throughout the process e.g. staff email, school website etc.
- xi The School Governance (Constitution) (England) Regulations 2012 state that every person entitled to vote can have an opportunity to do so by electronic means. You do need to ensure there is a means for those who cannot participate in the process electronically to take part by post. The process must be transparent and stand up to scrutiny. Ensure correct contact details for all eligible to vote. Implement checking systems to ensure someone does not vote electronically and by post. Ensure confidentiality by the minimum number of staff possible being involved in the process.

- xii A new governor checklist is available on the BFC Can (do) Working Together website under Resources – Governor Services Hub.

ELECTION OF PARENT GOVERNORS SUMMARY

Model letter seeking nominations

Dear Parent or Carer

Notice of Election of Parent Governor

I am writing to let you know that there is/are x vacancy(ies) for parent governor(s) on the Governing Body of xxxxSchool, and to invite parents who wish to stand for election as a parent governor to put their names forward. A person is disqualified from election or appointment as a parent governor if they are an elected member of the local authority (a Councillor) or if they work at the school for more than 500 hours in a consecutive period of 12 months (at the time of their appointment).

We know that parents are interested in the education of their children and share the school's commitment to ensuring the best possible education and opportunities for our pupils. One of the most significant ways to build on this is to volunteer to be a parent governor. Parent governors play an important role in ensuring that the parent viewpoint is represented in decision making.

The skills you have could be very useful to our Governing Body. At the moment the Governing Body is lacking governors who have expertise *in [insert what skills you need]*. If you are someone with the required skills, please consider applying.

The main role of the Governing Body is to provide the strategic direction for the school, to hold the headteacher to account and to ensure that the school budget is well spent.

Further information on what being a governor would involve in terms of your time and commitment *is attached / can be found at...* (provide information giving details of meetings and committees etc and any other relevant information relating to your school). There is an expectation that governors will attend training provided free of charge by the local authority.

If you are eligible, and wish to stand for election as a parent governor, you should complete a nomination form, have your nomination supported by another parent or carer of a child also attending the school, and insert a personal election statement for circulation to voters as set out on the nomination form. Please return it to the school marked for the attention of the Returning Officer by the closing date and time. *(You may also want to ask them to submit a photo for circulation to voters with their statements)*

Nominations forms must be received by *(time and date)* No nomination will be accepted after that date and time.

If the number of nominations received does not exceed the number of vacancies, all those nominated will be appointed without a ballot. If there are more nominations than vacancies, a secret ballot will be held. Each parent / carer will be issued with a voting paper.

The following timetable will apply if it is necessary to hold a ballot:

- Last day for returning nominations *(date and time)*
- Ballot paper dispatched to parents *(date)*
- Deadline for voting and date of count of ballot papers *(date and times)*

Prospective nominees are advised that they may be subject to a check by the Disclosure and Barring Service. Full details of eligibility and disqualification criteria are contained in the guidance for elections and are attached */ can be viewed at the school*.

Yours sincerely

Returning Officer *(Add contact details and email address as appropriate)*

- A vote shall be indicated by placing the mark x against the candidate's(s') name(s) on the ballot paper
- An envelope is provided and the ballot paper should be placed in the envelope and sealed

Or

Two envelopes are provided and your ballot paper should be placed in the plain (*secret*) envelope and this envelope should then be placed in the pre-printed / labelled envelope. Your details (name and address) should be on the outer envelope.

- The envelope must be delivered to the school by (*time*) on (day).

The poll will close on (*date and time*) and the result of the election will be posted on the school notice board after the count and will be notified to all parents.

Yours sincerely

Returning Officer

BRACKNELL FOREST COUNCIL
(School name)

BALLOT FOR ELECTION OF PARENT GOVERNOR(S)

There is/are **one/two** vacancy/ies to be filled and you should vote for not more than one/two candidates. Please indicate your choice by placing an "X" in the box opposite the name(s) of the candidate(s) you wish to vote for:

JENNIFER SMITH	
ROBERT JONES	
ANDREW GREEN	

Candidates' election statements are attached separately.

Do not mark in any way other than to put an X against the name(s) of the candidate(s) you wish to vote for. If you vote for more than one/two candidates, your ballot paper will be invalid.

Please return to the Returning Officer in the envelope provided, to arrive at the school no later than (*time*) on (date).

Secret Ballot - suggested methods

Other methods may be used if the secrecy of the vote can be maintained and the possibility of duplicate voting eliminated

It is suggested that you use coloured paper for the ballot papers.

Two Envelope System (preferred)

Issue 2 envelopes with each ballot paper; one plain and one pre-printed.

The pre-printed envelope is addressed to the Returning Officer and provides for the voter to fill in his/her details.

The second (plain) envelope containing the ballot paper is sealed and placed inside the pre-printed envelope.

The information on the outer envelope which includes the voter's name should be checked against a register or list of people to whom ballot papers were issued. Once this is done the outer envelope is opened and discarded.

This method ensures that only those eligible to vote do so and preserves the secrecy of the ballot.

Single Envelope / Numbering system

Issue ballot paper plus envelope to each eligible voter. Ask for the ballot paper to be returned sealed in the envelope provided, addressed to the returning officer and placed in a ballot box at the school

Prepare a list of all eligible voters

Number ballot paper(s) in manuscript when you send out to voters.

Note number(s) against the individuals on your master list.

Provide return envelope with ballot paper for return.

Distribute to eligible voters.

Keep a note of how many papers have been issued. There are some circumstances where it may be necessary to issue a duplicate paper e.g. if the paper is spoilt or lost. Give the paper a new number and make it clear on your master list what you have done.

Before the count, put your master list in a sealed envelope and keep somewhere safe for 6 months then destroy....you will only need to look at this if the election result is disputed. Nobody else should be allowed to look at the list.

Prepare a sequential list of numbers (not related to individuals) as used on the ballot papers

As each envelope is opened mark off the number from your list of numbersyou should not have any duplicates

For both options:

- Count votes in normal way.
- File the numerical list with the ballot papers and keep for 6 months in case result is disputed.
