Creating a brighter future for disadvantaged young people

We are delighted that funding has been secured to help The Duke of Edinburgh's Award South East Region achieve a brighter future for disadvantaged young people.

The Ramblers Holidays Charitable Trust Bursary Fund will consider applications for £100 from individual DofE participants in order to ensure that lack of funds does not prevent their participation in DofE or enjoyment of the countryside and outdoor activities.

We wish to use the funding to deliver specific outcomes to:

- Encourage young people from diverse backgrounds to participate in activities and build their self-confidence and skills to become active members of the community enjoying outdoor opportunities and engagement with the countryside which they may not have considered or experienced before.
- Encourage successful applicants to remain enthused by outdoor activities and to develop interests and skills in this area.

The funding can be provided either by

- (i) cheque to the Group Leader (to be used to offset direct costs of participation and equipment) or
- (ii) Cotswold Vouchers to the Participant.

Please remember that if used with our commercial partner, Cotswold Outdoor (either at a store or on-line), both forms of bursary can benefit from the additional DofE Leader or Participant discount.

Applications should be submitted to: The Duke of Edinburgh's Award, South East Region, Gulliver House, Windsor, Berkshire SL4 1EU or email southeast@dofe.org

Please ensure that your leader's comments in support of this application are completed.
