

Remote Access for Pupils (iPhone/iPad/Chromebooks/Android)

1) On Apple iPhone/iPod & iPad, Chromebooks & Android install the **Microsoft Remote Desktop** app from the App Store (Logo shown above)

2) Once loaded, tap **+** within the app and click **Add PC**

3) PC Name: pupil.edgbarrowschool.co.uk

4) Tap **Save**

5) Tap on newly created PC and fill out your school username/password using the following format:

Username: edgbarrow\ (School username)

Password: (School password)

6) Tap **continue** and you'll be taken to Remote Desktop.

7) To sign out, click the **Windows** button (bottom left), school logo and then **Sign Out**
