

## Remote Access for Students (Windows)

- 1) On a Windows PC, Laptop or Tablet search for Remote Desktop Connection
- 2) In the Computer field, type **pupil.edgbarrowschool.co.uk**
- 3) Click Connect
- 4) Your username and password will use the following format:  
**Username: edgbarrow\Your school username**  
**Password: (Normal school password)**
- 5) Click OK and check the box that says 'Do not ask me again' if asked.
- 6) You'll now be connected to the Remote Desktop service
- 7) To sign out, click the Windows button (bottom left), school logo and then Sign Out
