Year 12
Mental Health AAQ

Curriculum Intent

Our Certificate in Mental Health: Individual and Society provides students with theoretical knowledge and understanding of the fundamentals of mental health that will prepare students for progression to undergraduate study. Students will develop an understanding of the range of factors that can influence our mental health and the potential effects they can have and identify strategies that can be implemented to make a positive difference in the lives of individuals and communities.

What am I studying this year and how and when will I be assessed?

Topic	Time of Year	Assessment	Independent Study
	Sept-Jan	Exam	Independent study is essential to Sixth Form study and a wide range of tasks can be set by teachers in order to develop these skills. Teachers will set at least one independent study task each week. Independent study can take a number of forms including: online tasks- which can involve videos, talks, questions written tasks wider reading recall of information from Knowledge Organisers revision and preparation for end of topic tests. Tasks may also be targeted to develop wider interest in the subject as well as those more focused on the exam specification.
